

**National Sun Yat-sen University
Department of Electrical Engineering
FACULTY RECRUITMENT**

Department of Electrical Engineering at National Sun Yat-sen University (NSYSU) invites applications from outstanding candidates for faculty positions (Assistant Professor, Associate Professor, or Full Professor). Applicants of all areas in electrical engineering are welcome. However, applicants with (1) Control and (2) Power and (3) EM related specialties/applications are most preferable.

Applicants should have a Ph.D. degree in electrical engineering or other related fields. Responsibilities include effective teaching at the undergraduate and graduate levels, and establish a strong research program that involves supervision of graduate students and acquisition of research grants.

Applicants should send, before March 20, 2009, (a) a curriculum vitae, (b) transcript (for fresh Ph.D. applicants), (c) three recommendation letters, (d) publication list, (e) reprints of selected papers, (f) a statement on teaching and research plans, and (g) other supporting material to the following address:

***NSYSU has been named by Ministry of Education (MOE), Taiwan, R.O.C. as one of the top seven research-intensive universities in Taiwan since 2002. It is also one of the 12 universities at Taiwan that have just been awarded the total 5-year, 50-billion NT\$ special development fund from MOE. The EE department is consistently ranked among 5 of the best EE programs in the nation, and is the only university in Taiwan with full scholarship support program for International Master of Electric Power Engineering.**
